## East Ham's War Memorial.

---

The names of over 2,000 local men who gave their lives in the Great War, are publicly recorded on bronze panels in the Entrance Hall of this Hospital.

Is it possible to conceive a more fitting manner in which to perpetuate their memory?

If you lost a near, or dear one, why not commemorate the occasion by sending an Annual Subscription?

# THIRTY-THIRD ANNUAL REPORT OF THE GENERAL COMMITTEE FOR THE YEAR 1934.

The General Committee begs to submit to the Governors, Donors, and Subscribers, its Report for the year ended 31st December, 1934.

## Obituary.

It is with profound regret that the Committee has to report the death of Mr. F. G. Priestley, A.C.A., which took place on the 24th July. Mr. Priestley, who was a Life Governor, had acted as one of the Honorary Auditors of the Hospital from 1926 up to the time of his death. The deaths of Mr. J. W. Y. Cearns, Mr. F. P. Cross, J.P., Mr. G. F. Davis, Mrs. W. Maynard, Mr. G. H. Stickland and Mr. W. F. White, Life Governors; Mr. J. J. Fitzgibbons, Mr. C. Bracey Forbes, and Mr. H. Forrest, Foundation Governors; and of Mr. J. Goshon and Mr. J. D. Keenan, have also to be reported, and the Committee expresses deep sympathy with the relatives of this Lady and these Gentlemen.

## Illness.

The Committee expresses its deep regret at the serious illness of Mr. A. H. Wiseman, J.P., and trusts that he will soon be restored to normal health. The Committee also extends its best wishes to Mr. O. T. Dinnick, F.R.C.S., for a speedy recovery to health.

## Committee.

The Committee tenders its warm thanks and appreciation to Mrs. F. Norman for the many services she rendered the Hospital since joining the Governing Body in 1920. Her resignation, due to ill-health, was accepted with much regret. In accordance with the Charter and Bye-Laws, the following gentlemen were co-opted as members of the General Committee:—

Dr. Maurice E. Shaw	} representatives of the Honorary Medical Staff.
Mr. S. I. Levy, F.R.C.S.	
Mr. H. J. Burrows, F.R.C.S.	
His Worship the Mayor, Ald. T. W. Burden, J.P. Chairman of the Public Health Committee,	} representatives of the East Ham Corporation.
Ald. E. F. Markey	
Chairman of the Public Assistance Committee, Cr. H. Restarick	

## Auditor.

The Committee places on record its sincere appreciation of the services rendered by Mr. H. W. Buckingham, F.C.P.A., as Honorary Auditor. Mr. Buckingham had

acted in this capacity since 1922, and his resignation, following the death of his Co-Auditor, Mr. Priestley, was accepted with deep regret.

In accordance with Bye-Law 31, the Committee invited Mr. Dudley H. Pratt, B.A., A.C.A., of J. Priestley, Son & Co., Chartered Accountants, to fill this Office. Mr. Pratt kindly accepted, and the Committee takes this opportunity of thanking him for the services he has already rendered the Hospital.

The Committee reviews the work of the past year with no little satisfaction. The work accomplished shows a substantial increase on all previous years. The working costs were the lowest since the opening of the General Hospital. The General Fund Deficit at the end of the year was the lowest since 1929. The steady progress of the Hospital is well illustrated by the figures for the first five complete years of work as a General Hospital:—

	1934	1933	1932	1931	1930
Income ... ..	£20,068	£20,172	£19,859	£17,142	£14,281
Expenditure ... ..	£19,361	£18,668	£18,989	£18,816	£17,256
Maintenance Deficit	£2,296	£3,003	£4,510	£5,379	£3,968
Beds occupied daily	92·7	92·5	91·8	91·5	82·5
Out-Patient					
Attendances	70,880	50,640	46,543	38,271	23,259
Cost per In-Patient					
per-week	£3 1 7	£3 2 5	£3 4 11	£3 7 11	£3 12 7
Cost per Out-Patient					
Attendance	15·18d.	17·08d.	17·53d.	16·33d.	16·87d.

The Committee realises that such progress has only been made possible by the magnificent support which has been received from the many friends of the Hospital, and takes this opportunity of expressing deep and sincere gratitude. If the Hospital is to continue this progression, increased and also additional support will be required, and the Committee appeals to all who are interested in this great charitable work to do their utmost during the coming year.

The work of the year again shows a considerable increase on the previous year.

	1934	1933
Average number of Beds occupied daily ... ..	92·7	92·5
Number of Patients admitted ... ..	1,491	1,400
Number of New Out-Patients ... ..	10,966	10,006
Number of Out-Patient Attendances ... ..	70,880	50,640
Number of Operations ... ..	2,064	1,756
Number of X-Ray Cases ... ..	4,131	3,528
Number of X-Ray Exposures ... ..	7,423	6,443
Number of Massage and Electrical Treatments	32,847	18,243
Number of Pathological Examinations ... ..	3,405	3,221

Of the 100 beds and cots in the Hospital, a daily average of 1·7 was closed owing to infection in the Children's Ward, leaving a daily average of 98·3 open for the admission of patients. The average number of beds occupied daily was 92·7; in other words 94·3 per cent. of available beds were in constant use during the year, as against 93·4 per cent. during the previous year. Throughout the year there were never less than 83 patients resident, whilst on 16 occasions there were 100 or more in the Wards. The number of attendances in the Out-Patient Department during the year was 70,880, exceeding the number of the previous year by 20,240. The Massage Department and the Casualty Department with increases of 14,604 and 2,453 attendances respectively, were to a very great extent responsible for this large increase. The average number of attendances of each Out Patient was 6·5 as compared with 5·1 for the year 1933. Of the 1,491 In-Patients and 10,966 New Out-Patients who attended the Hospital during the year, 70·4 per cent. were residents of East Ham.

The treatment of 92 In-Patients and 194 Out-Patients every day throughout the year, taxed the accommodation and the equipment of the Hospital to their utmost. Every effort has been made to meet the demands of the public. It was not possible to consider the provision of additional accommodation owing to lack of funds, but additional equipment in the form of a Portable X-Ray apparatus, a Medical Diathermy apparatus and an additional Anaesthetic apparatus, was provided to assist the Medical and Nursing staffs in dealing with the greatly increased number of patients. An Assistant Dispenser and an Assistant Radiographer were appointed to cope with the increased work in those departments. An additional Porter with full-time duties in the Out-Patient Department, was also appointed. The attention of the Governors is drawn to the fact that although the Hospital has completed only six years as a General Hospital, the present accommodation both for In-Patients and Out-Patients is quite inadequate, and that if the further demands of the public are to be met, a scheme of extension will be absolutely imperative.

#### Appreciation.

The Committee is pleased to report that it continues to receive from patients, most welcome evidence of appreciation of their treatment at the Hospital. Extracts from several of the many letters received in this respect appear on page 19.

The General Fund Income for the year was £20,068 0s. 3d. Income. Although £104 7s. 5d. less than the previous year, it exceeded the expenditure by £707 4s. 10d. The following figures give the sources of Income for the past two years :—

	1934			1933		
	£	s.	d.	£	s.	d.
Annual Subscriptions ... ..	1,343	3	6	1,312	9	0
Donations ... ..	3,819	2	11	4,667	7	4

Legacies ... ..	500	0	0	105	0	0
	<hr/> £20,068 0 3			<hr/> £20,172 7 8		

It is particularly gratifying to see a further increase under the heading of Annual Subscriptions. This figure has increased steadily each year from £858 18s. 10d. in 1929.

The decrease of £848 4s. 5d. under the heading of Donations, is mainly due to the contributions received from the Welfare Society and the Ladies' Aid Committee being respectively £300 and £400 less than the previous year, and to the fact that the contribution of £105 from the Barking Corporation was included under the heading of Donations in 1933 whereas in 1934 it appears under the heading of Patients and their Societies, etc. The receipt of £500 under the heading of Legacies, is also very gratifying. This is the largest amount received under this heading in any one year.

The Committee wishes to place on record its deep gratitude to all those who have given so generously to this Fund, with particular mention of the following liberal gifts :—

	£	s.	d.
King Edward's Hospital Fund ... ..	2,422	0	0

The Buildings and Equipment Fund Income for the year amounted to £131 2s. 8d. and the Committee expresses its gratitude to King Edward's Hospital Fund for a Grant of £100 and to the several other Donors who have so kindly contributed.

The Endowment Fund was increased during the year by a magnificent gift of £400 per the Rotary Club of East Ham, on account of the endowment of a Cot in the Children's Ward, in memory of the late Mr. Ernest Edwards, J.P., the Founder President of the Club. The ceremony of unveiling the Tablet and dedicating the Cot was performed by the President of the Club (Mr. E. G. Guyatt), and the Rev. H. B. Curtis, on the 19th June and was attended by the Officers of the Hospital, and Members of the General Committee, and many Rotarians. To the Members of the Rotary Club, and to the Members of the family of this deceased gentleman, the Committee extends its heartfelt thanks. The balance in hand on this Fund now amounts to £508 4s. 9d.

#### Expenditure.

The General Fund expenditure for the year shows an increase of £693 3s. 9d. as compared with the previous year:—

	1934			1933		
	£	s.	d.	£	s.	d.
Provisions ... ..	3,538	15	4	3,545	0	10
Surgery and Dispensary ... ..	2,520	3	8	2,135	15	7
Domestic ... ..	2,993	4	6	2,987	3	6
Salaries and Wages ... ..	7,332	9	9	6,992	18	1

Finance ... ..	1,347	8	5	1,368	11	7
	<u>£19,360 15 5</u>			<u>£18,667 11 8</u>		

The increase of £384 8s. 1d. under the heading of Surgery and Dispensary, and the increase of £339 11s. 8d. under the heading of Salaries and Wages, is due to the increased consumption of surgical stores, and the appointment of three additional staff as a result of the greatly increased work in the Out-Patient Department.

The Buildings and Equipment Fund expenditure amounted to £425 5s. 5d. and included the cost of:—

	£	s.	d.
New Portable X-Ray apparatus ... ..	187	19	5
Improvements to Main X-Ray apparatus ... ..	40	0	0
Fitting Basins in Private Wards ... ..	38	1	8
Additional Anaesthetic apparatus ... ..	36	15	7
Raising of Boiler House Stack ... ..	20	0	0

besides other smaller items of a Capital nature.

The total deficit at the 31st December, 1934, as compared with that at the 31st December, 1933, was as follows:—

	1934			1933		
	£	s.	d.	£	s.	d.
General Fund ... ..	2,296	4	6	3,003	9	4
Buildings and Equipment Fund:

(b) New Buildings ... ..	9,734	12	11	9,765	15	7
(c) Nurses' Home ... ..	2,499	10	7	2,549	10	7
	<hr/> £17,812 19 4			<hr/> £18,226 1 5		

In spite of Capital expenditure amounting to £425 5s. 5d. it has been possible to reduce the total deficit by £413 2s. 1d. as a result of the year's work.

It is pleasing to be able to report a further reduction in the cost of working.

	1934			1933

	pence			pence		
Statistical cost per attendance ... ..	13·90			15·10

Bearing in mind that in the Statistical Summary of King Edward's Hospital Fund for the year 1933 the Hospital occupied eighth place in order of cost, out of the nine Hospitals in Group 4, this further reduction is considered most satisfactory.

The Nurses' Examination results for the year are again most encouraging.

Training  
School.

The Committee heartily congratulates the Lecturers, and the Candidates, on these splendid results.

Blood  
Donors.

The following members of the British Red Cross Society, Blood Transfusion Service, were donors of blood during the year :—

Mr. H. W. Boddy.  
Mr. A. C. H. Jarvis.  
Mr. H. W. Smith.

Mr. N. W. Sudbury.  
Mr. H. Wadsworth.  
Mr. W. Yeates.

To these gentlemen the Committee expresses its warm appreciation.

Pound  
Week.

The fifth annual Pound Week Appeal was made by the Mayoress (Mrs. W. W. Bagot). From the 4th to the 14th June, over six tons of consumable goods valued at £179 14s. 4d. and donations amounting to £10 16s. 8d. were received at the Hospital. The Committee is greatly indebted to Mrs. Bagot for the time and effort she devoted to this appeal, and to the Staffs and Pupils of the Schools, and the many others who contributed so generously to its success. The total amount received from this source is now over twenty-seven tons of goods, valued at £876 6s. 1d.

Public  
Authorities.

The Committee is mindful always of the tremendous debt of gratitude it owes to his Worship the Mayor, and the Members of the Corporation of East Ham. The Grant of £1,200 allocated under the Sunday Entertainments Act, the visit to the Hospital on the 14th July of His Worship and the Members of the Council, and the numerous other services rendered during the past year, are sufficient proof of the sympathetic manner in which the work of the Hospital is regarded. The Committee begs to accord its thankfulness for this never diminishing generosity and interest.

His Worship the Mayor and the Members of the Corporation of Barking also expressed their keen interest in the work of the Hospital by a contribution of £105 during the year, and the Committee is most grateful.

King's  
Fund.

Sincere thanks are accorded to King Edward's Hospital Fund for Grants of £2,422 to the General Fund, and £100 to the Buildings and Equipment Fund during the year. The total amounts now received from the Fund over a period of 33 years are: General Fund £14,394, and Buildings and Equipment Fund £23,340.

The Committee desires once again to place on record its appreciation of the magnificent help which the Linen League and its Manor Park Branch, continues to render the Hospital. Linen to the value of £353 9s. 0d. was received during the year, which, added to the figures of previous years, makes a grand total of £4,259.

By a donation of £600 the Welfare Society brought its total contributions to the Hospital to £7,600. The raising of this splendid sum is the result of real hard work on the part of the Ladies and Gentlemen who have undertaken the duties of Organisers and Collectors, and the Committee extends to each and every one of them, its gratitude and congratulations.

The Ladies' Aid Committee, as a result of its work during the year, was able to make a donation of £100 to the Hospital. The Committee is more than grateful to these Ladies whose efforts have been the means of raising a total amount of £5,450.

The East Ham Schools' Hospital and Nursing Fund has set itself the task of making an annual Contribution of £200 to the Hospital. It has not failed in its endeavour, for the £200 received during the year brought its total contributions to £7,395. To all those connected with this Fund, the Committee offers its warmest thanks.

The efforts of the East Ham Memorial Hospital Football Cup Competition, were responsible for a donation of £57 15s. 0d. during the year. The Committee is very grateful to all those connected with the Fund, which has now contributed a total amount of £876 to the Hospital.

The Committee has much pleasure in announcing the election of Dr. Maurice E. Shaw as a Fellow of the Royal College of Physicians and it heartily congratulates Dr. Shaw on the receipt of this signal honour.

The resignation of Mr. B. W. Rycroft, F.R.C.S., Honorary Ophthalmic Surgeon, on his appointment to the staff of another London Hospital, was very much regretted. Mr. G. J. O. Bridgeman, F.R.C.S., was appointed successor to Mr. Rycroft.

The Committee is happy to have this opportunity of paying tribute to the work of the members of the Honorary

Medical Staff; their skilful services, so unsparingly given, are highly appreciated.

Thanks.

The grateful thanks of the Committee are also accorded to :—

Mr. John Davis, Honorary Solicitor.  
 The Rev. Charles E. Butterfield } Honorary Chaplains.  
 The Rev. W. E. Allen }

Conclusion.

The Committee has already made reference in this Report to the inadequacy of the accommodation, both for In-Patients and for Out-Patients, and to the fact that the provision of further accommodation was prevented through lack of funds.

On the 6th May next the country celebrates the Silver Jubilee of their Majesties' accession to the Throne. What more fitting occasion could there be to remove the obstacle in the way of providing this most necessary accommodation?

The total debt at the 31st December, 1934, was £17,812 19s. 4d. If this were removed, the Committee would feel justified in considering a scheme of extension. It is not an impossible task. In fact, with the generous support of the public, it could be accomplished.

The Committee therefore makes a "Jubilee Appeal" to all those "Who would help those who cannot help themselves" to celebrate this occasion by doing their very utmost to pay off this debt, and so enable the Hospital to still further extend its activities for the sick and suffering.

It is a worthy occasion! It is a worthy cause! It deserves worthy support.

On behalf of the General Committee,

NOBLE A. PAPWORTH, Chairman.

REGINALD PERRY, Secretary.

## LETTERS OF APPRECIATION.

*Extracts from letters received from Patients and their Relatives during the year.*

J.A.L.—“I wish to place on record the appreciation of my Brother, Sister and myself for the kind attention given to my late Father, whilst in “A” Ward. He spoke very highly of the efficiency of all the Staff, and of the excellent capabilities of the Sister. Sometimes I feel that if he had been under your good care earlier, it might have been possible to have saved his life, but apparently it was not to be. Again I tender our most grateful thanks for your kindness, and also for the courtesy extended to us by you all.”

A.R.—“I am writing to extend to you and the Hospital Authorities my very sincere thanks for your kindness to me; everything possible was done to cure me, and I cannot sufficiently express my appreciation. I have never regretted going to East Ham Hospital, as it has enabled me to see for myself the kindness extended to patients, and I cannot speak too highly of them all. I had no idea of the care and kindness each patient received at this Institution, of which to-day I am proud; no matter their position, all receive the same treatment.”

B.M.B.C.—“Having received your most esteemed letter, I feel bound to answer same to show my appreciation of the very kind hospitality shown to me by the Doctors and Staff of your Hospital. Having been a patient in several other hospitals I can honestly say that what you did for me, both my husband and I greatly appreciate, and I am often talking to people and telling them that if it had not been for your hospital I would not have been here to-day, also that no expense was spared, as far as you were concerned, to save my life. Although I am only poor and can only send a pittance, I am deeply grateful to all the doctors and nurses.”

G.G.T.—“I am almost ashamed to find that I have let a week slip by before writing to express my warm thanks to you and everyone with whom I came in contact at the Hospital, for their kindness and attention to me. All the friends who visited me considered that I was very fortunate indeed to have found such a lovely place and they were charmed with the atmosphere which pervaded it. I shall never cease to be grateful to you all, and I hope it will be my good fortune to demonstrate, at some future date, my appreciation in a practical manner.”

A. & H.E.—“I beg to thank the Hospital for its very able and kind treatment during my sojourn there. I can only speak of “B” Ward, but the kindness of the Sister in charge of the Ward, and the prompt attention of the Nurses at all times of the day and night, speaks well for the training, and the food was the most tasty I have ever had in Hospital. It was my eleventh time as an In-Patient of different hospitals, so when I say ‘Thank you’, please believe that it means all that it should.”

J.M.—“I feel compelled to write to you expressing my heartfelt gratitude for the exceptionally kind treatment I received during my eleven weeks stay at your Hospital. I was a patient in “B” Ward, and owe to the thoughtful attention of the Sister and Nurses, the recollections of an enforced idleness made as comfortable as possible under the circumstances.”

V.W.C.—“On behalf of my wife and self, I wish to express our great thanks and gratitude to all concerned in restoring our daughter Joyce to us in her present good health. We fully realise how very fortunate we are to have her with us, and know that it is due to her being given such good attention whilst in Hospital. Particularly do we wish our thanks to be passed on to the Sister of “B” Ward, who has been very attentive, the Nurses who have attended Joyce, and the Doctor. We do feel that we are unable to appreciate in words how we feel towards all concerned at the Hospital, but we do know from our experience that they are wonderful.”

## Report and Statement of Accounts for the year ended 31st December, 1934.

In presenting the Ninth Annual Report, the Executive Committee have, unfortunately, to say that the Collections during the year amounted to less than those in each, except the first, of all previous years. The total for the year was £613 5s. 9d., and the Ward totals for the year, and for the eight years up to the 31st December, 1934, are as follows:—

					£613	5	9	£7,654 17 0		

Further details of the 8 years' collections appear on page 82.

The year's total was £117 17s. 8d. less than that of the previous year, but some part of the deficiency can be attributed to the fact that towards the end of the year a considerable number of "Home" boxes were issued to houses at which House-to-house collections were previously taken, the first quarterly emptying of those boxes not falling due until after the end of the year. There was, however, a disappointing reduction in the collections in all wards but one, the exception being Woodgrange, in which the total in 1933 of £72 14s. 9d. was increased by £11 18s. 11d., an increase which is very creditable to the Ward Organiser and her collectors.

The best result, on a comparison with the preceding year, in the other Wards was in South, in which the amount collected was little less and consequently the Ward's total for the year was the fifth highest, instead of the seventh as in 1933, and the aggregate of the collections in South Ward is shown by this Report to exceed that of Central Ward, although in the previous Report the figures of Central were better than those of South.

It is also worthy of mention that, as in the previous year, the collections in Wall End were more than in any other Ward.

It was a disappointment to the Committee that the results in several Wards continued to be very small, and the Committee would emphasize the particular need for activity and help in those Wards. It is realised that only a small number of members feel able to devote more than a limited time to taking weekly house-to-house collections, but the "Home" boxes provide a way, which requires much less time, of obtaining increases in the collections, and it is hoped this will result in assistance being forthcoming,

both from present members and by an increased membership, to improve the organisation of the collections in those Wards.

Notwithstanding the continued reduction in the amounts collected, the Committee feel entitled to say that the Society is undoubtedly one of the best sources of income to the Hospital. The payments towards the Hospital's maintenance, which at the commencement of the year amounted to £7,000, were increased by £600, and it is certain that the £7,600 with which the Hospital has thus been provided, during a period of five years, has been of immense value and contributed towards the increased facilities and improvements there in recent years.

From the appended Statement of Accounts it will be seen that at the end of the year the Society had £54 17s. in hand on the Collection Account, that amount being the difference between £7,654 17s., the total of the Society's collections as in the foregoing statement, and the £7,600 paid to the Hospital, which shows that there has been strict adherence to the Society's principle that no part of the collections shall be used for expenses. The Committee think that this feature, combined with the fact that there are no paid officials or collectors, justifies a claim that the work of the Society has continued to be meritorious even though less successful than formerly, but they feel bound to say they think a special effort is necessary if the Society is to remain one of the principal supporters of the Hospital.

The Committee are aware that there are still a number of members obtaining very satisfactory results by collecting regularly each week with the House-to-House boxes, and they wish to encourage rather than to discourage that method of collecting, but, because it seems to be impossible to get a sufficient number of house-to-house collectors, they have come to the conclusion that real improvement in the collections cannot be expected unless the Society can raise a substantial amount by means of the "Home" boxes.

The Society has had some help towards that from both the Mayors of the Borough in office during the year, as they each issued letters of appeal to the people of East Ham to take boxes and the result so far has encouraged the Committee to think that when the appeal of the present Mayor has been fully distributed the Society, and of course, also the Hospital, will derive considerable benefit from the "Home" boxes. It must be added, however, that without further assistance the Society cannot secure the utmost possible benefit from these boxes and the Committee earnestly appeal for the required help.

Turning to the Working Expenses side of the financial affairs of the Society, the Statement of Accounts shows, in the No. 1

Account, that there was an excess of expenditure over income, but as that was caused partly by additional cost of printing and advertising incurred in connection with introducing the "Home" boxes and partly because of increased expenditure on social events arranged for the entertainment of members and supporters of the Society, the Committee see no occasion to regret that the Working Expenses Fund became reduced, especially as the two donations shown to have been made by the Society were a contributory cause of the reduction. Further, it should be noted that donations received were much less than in the preceding year, when the Society had the benefit of a donation of 25 guineas from the Mayor's Fund, and the profits from social events were also less, because of the before-mentioned increased expenditure.

The state of the Samaritan Fund is regarded by the Committee as quite satisfactory. There was a small reduction in this Fund but fortunately the necessity for making grants from it has arisen only infrequently and the balance in hand is therefore considered sufficient to enable the Society to continue to carry out the object for which the Fund was established, namely to give a little assistance to any member whose circumstances may require it.

The Society's arrangement with the Hospital for free treatment of contributors to the collections when that is desirable, is also one of which advantage is rarely taken, but the Committee are anxious that collectors and contributors should not lose sight of this benefit which can be obtained through the Society.

In making the usual reference to the Hospital and its work, the Committee are glad to be able to say that, as in 1933, there was no deficiency on the maintenance account and they are pleased to be able to think that some credit for this is due to the Society. They are also glad to be able to say that improvements at the Hospital have continued, but the work there has increased to an extent which, particularly in the case of the Out-Patients Department, makes it very necessary that there should be further improvements and extensions if complete and efficient services are to be ensured.

In reviewing the social events of the year, the Committee feel justified in beginning by saying they were very satisfactory. The "New Year's Party", a successful innovation in 1933, was repeated with even greater success and the Annual Dinner, again held at the Comedy Restaurant, was enjoyable and was noteworthy because the Plashet Ward collectors were there as guests of the Society in recognition of their collections having reached £1,000. Another annual event, the Outing, was a happy affair, the Society's party then paying a return visit to Hertingfordbury, and a further successful event arranged for members and friends was the End of the Season Party.

The usual events arranged to raise funds for the Society's expenses, the Dance at the Town Hall and the Durban House Garden Party, were very successful, and profit was also derived from Dances held at St. Antony's Hall, Forest Gate, and at the Ilford Palais de Danse. An American Tea, at the residence of Mr. and Mrs. A. H. W. Owen, and arranged by the Catering Committee, gave pleasure and profit, and another Garden Party, in the grounds of the Hospital, was well attended and included a number of the Society's contributors, who were invited to give them an opportunity of knowing something more about the Hospital.

Before seeking to express due thanks for the support and assistance given to the Society during the year, the Committee has, with very much regret, to say that the state of health of the Society's Chairman, Mr. A. H. Wiseman, J.P., was at the close of the year giving cause for anxiety, and that his ill-health has, unfortunately, continued, and they feel sure that every member of the Society will join with them in an expression of sympathy to their Chairman and to Mrs. Wiseman and in their hope that he will soon regain and for a long time enjoy good health.

In placing on record their appreciation of the assistance received during the year, the Committee have to thank the President, Lord Bethell, for kindly providing certificates for presentation to the Society's contributors. They also thank all those who are shown by the Accounts to have given donations and further thanks are given to one of the donors, Councillor H. B. Harper, J.P., for an interesting address given by him at the Society's Annual Meeting. Thanks are also due and are given to Mr. Douglas Hemmings for his kindness and help in allocating to the Society a share of the profit from one of his entertainments.

The Committee acknowledge indebtedness to Alderman W. W. Bagot, J.P., for the offers of assistance made by him whilst the Mayor, which resulted in a "Mayor's Appeal" being made in connection with the "Home" boxes and also for the interest he took in the Society during his term of office. They offer their grateful thanks to him and also to the present Mayor, Alderman T. W. Burden, J.P., who readily consented to supplement the appeal of his predecessor and who in other ways has shown his appreciation of the work of the Society and his readiness to assist it.

To the artistes and to other friends of the Society who contributed towards the success of the two Parties and the Garden Parties the Committee express their gratitude, and they thank the General Committee for the use of the Board Room for meetings, the Chairman of the Hospital, Mr. N. A. Papworth, J.P., for his interest in and appreciation of the work of the Society, the Hospital Secretary for his co-operation and assistance, and the

“Stratford Express” and “East Ham Echo” for services in the form of publicity.

The Committee desire to assure the contributors to the collections that their support is highly valued and appreciated, and that its continuance is solicited with the hope that it will be given on the ground that the Society has deserved it by the help it has succeeded in giving to the Hospital.

The Committee find it difficult adequately to express their thanks to the collectors, for they recognise that their share in the work of the Society is the vital part of it. They desire to assure all the collectors that they are very grateful for their help and they trust all collectors will be able to feel that they should continue their efforts which in the past have been the means of doing so much good. The Committee are also grateful to the Ward Organisers and their Supervisors for their services in positions which at times must seem to be both difficult and discouraging, and they hope that by their further efforts the Organisers and Supervisors will achieve such success as will dispel the feelings of difficulty and discouragement.

To the members of the subsidiary Committees and to the Officers, the Committee also offer thanks, especially to the Social Committee, the Catering Committee, the Hon. Financial Secretary (Mr. F. W. Day), and the Hon. Secretary (Mr. A. L. Waller). The work of those Committees and Officers has been particularly valuable and that tribute is especially applicable in the case of the Hon. Secretary, who continued to devote a very great deal of his time and to take endless trouble to further the interests of the Society and to do all the work which is entailed by his position so that, as the Committee gratefully acknowledge was the case, it should give the utmost satisfaction.

## Report and Statement of Accounts for the year ended 31st January, 1935.

It is with pleasure that I present a brief report of the activities of the Ladies' Aid Committee for the year ended 31st January, 1935. This task has fallen to my lot owing to the regrettable resignation, owing to ill-health, of Mrs. L. B. Odling, J.P., who had been Secretary of the Committee since its formation. Another valued Officer found it necessary for the same reason to resign office and I refer to the Treasurer, Mrs. F. Smith, but we are delighted that both Mrs. Odling and Mrs. Smith have agreed to help by remaining as active Members of the Committee, we are also fortunate in that Mrs. E. K. Robinson has been elected and consented to act as Treasurer.

During the year a series of Whist Drives were held in the Minor Hall, Town Hall, the receipts amounting to £66 12s. 5d.; this is certainly most gratifying and the support given was most pleasing, but the success was greatly added to by the kind donors of Prizes, to whom, one and all, we express our sincere thanks, for not one single Prize had to be purchased during the whole season.

The Annual Dance held in March was certainly a great success and here I desire to express thanks to the whole Committee for

their most generous co-operation. Amongst the large company present were the President of the Hospital, Lord Bethell accompanied by Lady Bethell, His Worship the Mayor of East Ham and the Mayoress, Mr. Ald. W. Bagot, J.P. and Mrs. Bagot, The Deputy Mayor and Deputy Mayoress, Mr. Coun. Fell and Mrs. Fell, the Members of Parliament, Lt. Col. Mayhew and Mrs. Mayhew, Mr. Campbell Johnston and Mrs. Campbell Johnston; their support certainly gave us great heart.

Lady Bethell once again kindly consented to act as Hostess at our American Tea; this was held in May, and we thank the Management Committee of the Hospital for the loan of the magnificent grounds, and we also thank the Clerk of the Weather who sent us such a delightful Summers Day, all adding to the success of the Tea which realised a profit of over £20.

On the Balance Sheet will be noticed an item of 9s. 4d. Victorian Coppers; this is a new scheme just started whereby the members of the Committee have agreed to look through their coppers which they have had in change, at least once a day, then all coppers on which is the Head of Queen Victoria are saved and then handed in for the benefit of the Hospital, but I should like to stress to anyone who reads this report that if they desire to join the scheme we shall be most thankful for their coppers which will be gratefully acknowledged.

There is one note of sadness I must refer to, and that is to record the death of a staunch helper of the Hospital and much beloved member of the Committee, the late Mrs. A. Maynard. "Ours is the Loss."

In conclusion may I, on behalf of the Committee, extend our congratulations to Mrs. Dennison on her election to the Management Committee of the Hospital; we know she will be a great asset to them.

Personally, I must cordially thank the whole of the Ladies' Aid Committee for the whole-hearted co-operation they have given to me during my first year as Secretary, the success of the year has been entirely due to the splendid team work; thus we have been enabled to hand over to the Hospital a cheque for £100, a total of £5,450 since the formation of the Committee.

And now with a continuance of the help to which I have already referred, I look forward to a year of pleasurable labour for the cause which we one and all have so dear at heart.

G. M. BOULTWOOD,

*Honorary Secretary.*

## Report and Statement of Accounts for the year ended 31st December, 1934.

This Report is presented in the earnest hope that all shortcomings may be judged as kindly as possible, because before the "Little Ship", so quaintly conjured up before us in last year's report, had quite completed the voyage, she had dropped her old Pilot and taken on a new one who was more or less ignorant of the uncharted sea over which it sailed. However, the new Pilot has done her best to steer the ship safely into port, and trusts that the account of the voyage may be fairly correct. Indeed, she came on board at the Annual Meeting last year as the "purser" and now finds herself for the time being in the dual capacity of purser and pilot. As the responsibility is rather heavy she trusts that any omissions or mistakes will be pardoned.

The Annual Meeting was held on the 27th February, 1934. Mrs. Cahill presided, and was supported on the platform by the Mayoress (Mrs. Bagot) who apologised for the absence of the Mayor, by Lord Bethell, who brought greetings and regrets from Lady Bethell that illness prevented her from being present, by the Chairman of the Hospital Committee, Mr. Papworth, and Mrs. Papworth, the Vice-Chairman, Mr. Sutton, Matron, the Secretary, Mr. Perry, and the Treasurer, Mr. Cahill, and also the officers of the Manor Park Branch. Despite the fact that she was just recovering from a severe illness, the President moved the adoption of the Report in a very happy little speech, in which she expressed her thanks and gratitude to everyone who had helped in the work of the Linen League throughout the year. Mrs. Bardsley-Cragg

seconded the adoption of the Report and it was carried unanimously.

Thereafter a programme of musical items contributed by Mrs. Read, Miss Dilys Thomas (who deputised for Mrs. Boulthwood), and by Mr. Owen, accompanied by Mrs. Childs, was carried out, interspersed by short speeches from the Mayoress, the Chairman and Vice-Chairman of the Hospital Committee, and from Mr. Cahill, the Treasurer.

All these speakers paid tribute to the splendid work which was being done by the Linen League for the Hospital, and expressed their sincere good wishes for its continued growth and success.

The Secretary made a business statement to the effect that Mrs. Campbell had been elected by the Committee as Assistant Hon. Treasurer to relieve Mrs. Norman of some of the cares of her office. Mrs. Campbell was then publicly welcomed by the President, and expressed her willingness to carry out her duties faithfully. An omnibus vote of thanks was moved and seconded by the Officers of the Manor Park Branch, and heartily responded to by all present.

Before the refreshments (which are always carried out by our very efficient Tea Committee) were served, the gifts of money tabulated in the financial statement were handed to the President, amid the enthusiasm of the whole meeting.

In such manner the year 1934 opened for the Linen League, and it has been a year of hard and unremitting toil, both on the part of those gallant members who strive so strenuously to bring in the money which makes it possible to carry on the work, and on the part of all the members who attend so faithfully each Tuesday afternoon to do the work—to sew and knit and work the machines in order to fashion the many different kinds of articles which, week by week, are sent in to the Hospital. Special thanks are due to Mrs. Fennell and Mrs. Bardsley-Cragg, the latter for her work as Supervisor, and the former for the many hours she stands at the table cutting out the various garments. The work is never-ending, and there is room for many more ladies at our work tables and all who would care to join our busy Tuesday afternoon meetings will be cordially welcomed.

While we carry on the work so steadily, we do not neglect the social side of the League's activities, and so in the summer we planned our Annual Outing, which took place in June. Two coaches took many members and their friends to Southsea. We were favoured with good weather, and at the end of the long coach ride we were all quite ready to partake of the excellent lunch which was served in the Savoy Café. During lunch a telegram conveying greetings was received from the President,

who was unable to accompany us, and a telegram was dispatched to her in return. After lunch the party split up and all wandered off to enjoy themselves in their several ways until 6 p.m., when we met again to get ready for the homeward journey. Through the generosity of Miss Wilson the coaches were parked in the yard of the Café so that we had no long walk to reach them, as so often happens.

During the year, the Social Committee ran two very successful Whist Drives, which is not a very easy task in these days when so many societies are running these drives for their own particular funds, and in this connection we thank both Mrs. Poulten and Mrs. Lunn for their private efforts in this way. As usual, the Tea Committee has rendered good service—not only in providing for our creature comforts during the year, but by handing over a substantial sum to swell the funds.

It has been already indicated that a change in the personnel of the officials of the Linen League has taken place. The triennial election of Officers and Committee took place in November, and the result of that election is shown by the names printed at the beginning of this report. For the first time we have a Vice-President and we have tried to show our appreciation of Mrs. Poulten's untiring labours for the benefit of the Linen League by inviting her unanimously to fill that position. Unfortunately we have lost some of our oldest members—some who were pioneers in the work of the Linen League. Miss Wilson and Mrs. Norman, the late Secretary and Treasurer, have retired after fourteen years' faithful service, and one or two Committee members have also fallen out after the same length of service. That they will be missed from our ranks goes without saying, as they were all live wires and active members in our midst. It is hardly too much to say that the Linen League owes its success almost entirely to the personality and organising ability of Miss Wilson, and the responsible and sometimes arduous task of Treasurer was ably and courageously carried out by Mrs. Norman. Our best thanks and good wishes go with them in their retirement, and we know that their thoughts remain with us to encourage and help us to carry on.

The financial statement as it appears in the report speaks for itself and there is no need to comment upon it, except to thank most cordially all the collectors who have brought in so much money this year when money is hard to get, and once more we have to pay tribute to Mrs. Poulten for the splendid sum of £66 18s. brought into the funds by her during the course of the year. Her labours for the good of the Linen League are unending and we owe her a deep debt of gratitude. The new Treasurer, Miss Olley, will find the collectors faithful friends and co-operators, and we look forward to a prosperous year in 1935.

Little remains now but to render our very sincere thanks to all those who have helped our Linen League in any way whatever, and in particular we tender grateful thanks to Mr. Cahill who so kindly allows us to meet for our work in the Harmonic Hall, and to Mr. D. C. Manson for his kindness in carrying out the necessary audit of our accounts. We thank too our good friend Mr. Sutton, who is always ready and willing to help in every possible way, and Matron, who comes in as often as she can to help us with a few words of advice and encouragement. We thank then everybody who has helped us, and we conclude this report with an earnest appeal for more workers and for the continued support of all those who subscribe to the funds of the Linen League.

MARY CAMPBELL,

*Honorary Secretary.*

### **Report and Statement of Accounts for the year ended 31st December, 1934.**

It is our pleasure once again to present our yearly report which brings us to our ninth year of the Manor Park Branch. Our progress is steady and our weekly meetings on Tuesday afternoons being much enjoyed by a good number of members. Our Whist Drives have not been quite up to expectations during the year, but the Xmas Drive was a big success, and we tender our thanks to the local tradesmen for their generous help in giving the prizes, and also to Mr. Watson who always comes to our aid as M.C.

Our outing in June to Southsea was much enjoyed by members and friends, weather being ideal and an excellent lunch served.

The tea given by our Treasurer in October was much appreciated. A presentation was made to Mrs. Furnivall on that occasion owing to her resignation as Treasurer. We were all sorry to lose such a good worker, as she has made the Branch what it is to-day.

From No. 1 Table, per Mrs. Bird, six air rings and two air cushions were given to the Hospital, and from No. 2 Table, per Mrs. C. Bysouth, four pairs of cot blankets. Our annual gift to the Hospital consisted of 51 pairs of sheets and 13 pairs of cot blankets.
